**Lectures** Scheduled for Tuesdays and Thursdays, 2:30-3:50.

**Room** CIT 506

**Textbook** Required: Computer Networks, Fourth Edition, Andrew S. Tanenbaum, Prentice Hall, 2003 (ISBN: 0130661023)

**Lecture Notes** Available on the web at <http://www.cs.brown.edu/courses/cs168>

**Staff E-mail** Use `cs168tas@cs.brown.edu` to e-mail the course staff. Please use this e-mail for all course-related questions unless you have a reason to speak only with a specific TA or with the professor.

**Prerequisite** CS 32 or CS 36 or equivalent

**Incomplete Policy** Incompletes are granted only under exceptional circumstances (e.g. severe illness, death in the family, kidnapping, etc.; too heavy of a course load is not sufficient reason for an incomplete). Getting a dean to certify your reason for requesting an incomplete helps, but is not sufficient.

**Late Policy** Everyone is allowed a total of 3 days lateness on assignments (homeworks and programs together) free of charge. Beyond that, you are penalized 25% of the assignment's value for each day it is late (but you will not be penalized for more than the assignment's value).
