

CS 168 – Intro to Computer Networks

John Jannotti
Semester II, 2009 - 2010

Staff

Prof. John Jannotti (jj), CIT 379, 3-7755
HTA J. Rassi (jrassi)
UTA Sean Murray (sem1)
GTA Alptekin Küpçü (kupcu)

Assignments

4 programs (40%)
4 homeworks (20%)
Midterm exam (15%)
Final exam (25%)

Lectures I Hour (Tuesdays and Thursdays, 10:30-11:50) in CIT 506

Textbook Required: Computer Networks, Fourth Edition, Andrew S. Tanenbaum, Prentice Hall, 2003 (ISBN: 0130661023)

Lecture Notes Available on the web at <http://www.cs.brown.edu/courses/cs168>

Staff E-mail Use cs168tas@cs.brown.edu to e-mail the course staff. Please use this address for all course-related questions unless you have a reason to speak only with a specific TA or with the professor.

Prerequisite CS 32 or CS 36 or equivalent

Incomplete Policy Incompletes are granted only under exceptional circumstances (e.g. severe illness, death in the family, kidnapping, etc.; too heavy of a course load is not sufficient reason for an incomplete). Getting a dean to certify your reason for requesting an incomplete helps, but is not sufficient.

Late Policy Everyone is allowed a total of 3 days lateness on assignments (homeworks and programs together) free of charge. Beyond that, you are penalized 25% of the assignment's value for each day it is late (but you will not be penalized for more than the assignment's value).
