

Computer Science 169
Course Policies
Fall 2009

IMPORTANT: Please read this document and sign below. Return it to a TA on hours or after class. You will not receive credit for any assignments until we have this on file.

Students who are only taking cs167 may be given access to certain files that cs169 students do not have access to. Students of cs169 should make no attempt to access these files in any way whatsoever.

I have read and agree to abide by the above policy
