# Initial Design Presentations

CSCI2340: Software Engineering of Large Systems

Steven P. Reiss

Presentations

1. DJ
2. Speech
3. LLAMA
4. UI Gen
5. IoT
6. Accessibility
7. Agentic

Programming Homework

- User interface for adding graphic notes to Code Bubbles
  - Due Thursday 10/10 (canvas)

PROJECT Homework

- Initial High-Level design (due today)
  - Should fill in details – define the interfaces
  - Preparation for individual design and coding
- User interface prototype for the project (10/15)
  - Low-fidelity is fine for now
  - Try to get it done earlier
- Statement of how the UI fits into the application
  - How it fits into the design
  - Approach to be used
  - Put this into your repository
- Should have time for a project meeting on Thursday
